

Manitoba IFTA Newsletter—3rd Quarter 2021

2021 Renewals

The 2022 licence and decal fee will remain at \$65 per carrier and \$5 per set, respectively.

Renewal forms will be mailed in mid-October. Please complete the form and return with payment to our office. **If you are paying your licence and decal fees through TAXcess, please indicate that on your renewal form.**

The 2022 IFTA credentials will not be renewed if the first, second and third quarter 2021 returns have not been filed or there are delinquent tax return(s) and/or tax(es) owing under IFTA and/or other tax statutes administered by the Taxation Division.

Please note that if your renewal is not received in our office by December 31, 2021 or your account cannot be renewed due to outstanding items, your account will be suspended. This means that you will not be eligible for the grace period and will not be able to travel on your 2021 credentials in January and February 2022.

Online Filing of IFTA Quarterly Tax Returns and Payments of Taxes Due

Effective with the IFTA 1st quarter 2021 tax return and payment, all tax returns **must** be filed and paid online using **TAXcess**, the Taxation Division's online system. Paper returns are no longer accepted. Taxpayers who fail to file and pay using **TAXcess** when required may be subject to penalties.

IFTA quarterly tax returns for earlier periods may be filed and paid online but it is not a requirement.

All taxpayers must ensure that they are registered to use **TAXcess** prior to filing their tax returns and paying taxes due. To begin the sign up process, choose your language preference and then click *Sign Up Now for TAXcess* on the **TAXcess** home page at <https://taxcess.gov.mb.ca/>.

TAXcess allows businesses to access their accounts 24 hours a day, seven days a week in a secure, online environment. Once you sign up, you can securely file, pay and view your IFTA account online wherever and whenever you want.

FILE – When you enter the jurisdictions you travelled in, the fuel type used, total kilometres travelled and tax paid fuel purchased, the tax due or credit is calculated for you. You no longer have to enter tax rates or manually calculate fuel consumption.

PAY – You can pay any tax owing by electronic, pre-authorized payment (PAD). This allows you to file and pay IFTA through the **TAXcess** website in one continuous process.

VIEW – You can view your IFTA account online, such as your IFTA Statement of Account, cover page for IFTA tax returns and IFTA licences. You can also view all Web Notices (e-mails) sent and received.

3rd Quarter 2021 Tax Return Due Date: Monday, November 1, 2021

To avoid penalties and interest, returns must be filed and any amount due must be paid by the above date.

- Manitoba Taxation and the IFTA Law Enforcement Committee require that valid IFTA decals are affixed on the exterior portion of both sides of the cab.
- Do not place IFTA decals on windows, mirrors, tanks or vents.
- Do not use a pressure washer directly on the decals.
- Please remove all expired or non-valid decals from your vehicle.

IFTA Credentials Processing

Our goal is to respond to your IFTA credentials requests in a timely manner. Once the completed application form with payment (if applicable) is received and approved, we will process your request and forward to you as required by mail, fax or e-mail within the following response times:

Initial IFTA Registration – seven (7) to ten (10) business days

Renewal of IFTA Credentials – fifteen (15) business days

Additional Decals – one (1) business day

Temporary Decal Permit – one (1) business day

For urgent requests, contact us at 204-945-6444. Response times may vary if **any** tax accounts are not in good standing.

Electronic Image of IFTA Licence

Motor carriers can choose to carry their IFTA licence in electronic or paper format in their vehicles.

If you choose to maintain an electronic format of your IFTA licence, it is strongly recommended that the licence is saved as a PDF file and saved to an electronic device for each vehicle. This approach enables you to have access to your IFTA licence at any time, even when access to mobile and/or wireless service may be interrupted.

In **TAXcess**, your IFTA licence can be viewed under the Letters tab. Your IFTA licence will already be in PDF format. It can be printed or e-mailed as needed or saved to an electronic device. There is no need to contact our office for copies or a PDF format.

Regardless of the format (either electronic or paper), your IFTA licence must be accurate, valid, legible and be accessible on demand when requested by enforcement personnel. If you are unable to provide acceptable proof of credentials, you may be charged and required to purchase a permit to complete your trip.
