### IFTA Decals—Important Information

The proper placement of IFTA decals will help you avoid costly delays on the road.

- Manitoba Finance and the IFTA Law Enforcement Committee require that valid IFTA decals are affixed on the exterior portion of both sides of the cab.
- Do not place IFTA decals on windows, mirrors, tanks or vents.
- Do not use a pressure washer directly on the decals.
- Please remove all expired or non-valid decals from your vehicle.

### IFTA Credentials Processing

Our goal is to respond to your IFTA credentials requests in a timely manner. Once the completed application form with payment (if applicable) is received and approved, we will process your request and forward to you as required by mail, fax or e-mail within the following response times:

*Initial IFTA Registration* – seven (7) to ten (10) business days

*Renewal of IFTA Credentials* – fifteen (15) business days

*Additional Decals* – one (1) business day

*Temporary Decal Permit* – one (1) business day

For urgent requests, contact us at 204-945-6444. Response times may vary if **any** tax accounts are not in good standing.

### Electronic Image of IFTA Licence

Motor carriers can choose to carry their IFTA licence in electronic or paper format in their vehicles.

If you choose to maintain an electronic format of your IFTA licence, it is strongly recommended that the licence is saved as a PDF file and saved to an electronic device for each vehicle. This approach enables you to have access to your IFTA licence at any time, even when access to mobile and/or wireless service may be interrupted.

In **TAXcess**, your IFTA licence can be viewed under the Letters tab. Your IFTA licence will already be in PDF format. It can be printed or e-mailed as needed or saved to an electronic device. There is no need to contact our office for copies or a PDF format.

Regardless of the format (either electronic or paper), your IFTA licence must be accurate, valid, legible and be accessible on demand when requested by enforcement personnel. If you are unable to provide acceptable proof of credentials, you may be charged and required to purchase a permit to complete your trip.
