Fuel Tax Holidays

Due to rising fuel costs, some IFTA jurisdictions are allowing the purchase of eligible fuel tax exempt or pausing the collection of fuel taxes for a specified time period.

Newfoundland and Labrador (NL) initially implemented their fuel tax holidays as a split tax rate in 2nd quarter 2022 (now a reduction in the tax rate for 3rd and 4th quarters 2022). Connecticut (CT), Georgia (GA) and New York (NY) have suspended the collection of fuel taxes. The fuel tax holiday for each jurisdiction is listed below:

NL – June 2, 2022 to December 31, 2022

CT– April 1, 2022 to December 31, 2022 (gasoline and gasohol only)

GA – March 18, 2022 to January 10, 2023

NY – June 1, 2022 to December 31, 2022

NEW - For information on fuel tax holidays, including examples on how to record fuel purchased and kilometres traveled during fuel tax holidays, please see 'Exempt Fuel and/or Kilometres' under *Help* on the left side of the page in *TAXcess*.

For more information on the jurisdictions participating in a fuel tax holiday as well as their contact information, please view the 'Important Notices' on the IFTA, Inc. website at <https://www.iftach.org/important-notices.php>.

Connecticut Highway Use Fee

As of January 1, 2023, a Highway Use Fee will be imposed on certain carriers for the privilege of operating certain heavy, multi-unit motor vehicles on any highway (i.e., public road) in Connecticut. The Highway Use Fee is calculated based on a vehicle's weight and number of miles driven in the state. The Highway Use Fee is applicable to calendar months beginning on or after January 1, 2023. The first Highway Use Fee Return is due on or before February 28, 2023. Certain carriers will be required to register with DRS for the Highway Use Fee by January 1, 2023.
