

AN ORDER OF THE CLEAN ENVIRONMENT COMMISSION
 UNDER THE CLEAN ENVIRONMENT ACT

RE: THE CLEAN ENVIRONMENT COMMISSION and MANITOBA POOL ELEVATORS, Applicant,

WHEREAS pursuant to the provisions of The Clean Environment Act, Manitoba Pool Elevators filed an application with the Department of Mines, Natural Resources and Environment in connection with the operation of two side-by-side grain elevators known as elevator "A" and "B" and elevator "C" located on the south side of the Government Road Allowance in the Village of Minitonas, Manitoba;

AND WHEREAS in the absence of limits being prescribed by a Regulation under the said Act, the application was referred to The Clean Environment Commission for the prescribing of limits;

AND WHEREAS a representation was made to the Commission by a person who is or who may be affected by an order of the Commission prescribing limits in connection with the said operation;

AND WHEREAS the Commission held a hearing in Minitonas on the 22nd day of October, 1979, to receive evidence and representations in connection with the said application;

AND WHEREAS the Commission considered the application on the 26th day of November, 1979;

IT IS HEREBY ORDERED THAT

1. The Applicant shall not permit the emission of solid particulate matter from any process of the said operation to exceed a concentration of 0.23 grams per standard cubic meter calculated at 25 degrees Celsius and 760 millimeters of mercury at the point of emission.
2. The Applicant shall limit the wind entrainment of particulate matter from any source of the said operation to the extent that the particulate matter does not exhibit an opacity in excess of 5 percent beyond the property line of the said operation.

Order No. 859

Dated at the City of Winnipeg

this 30th day of November, 1979.

 Chairman,
 The Clean Environment Commission
