Michael Arms became President of Helen Woodward Animal Center in 1999 after serving ten years as district manager for the American SPCA in New York and twenty years as Director of Operations for North Shore Animal League. Under Mike's guidance, the Helen Woodward Animal Center created the Home 4 the Holidays pet adoption drive in 1999. Home 4 the Holidays has found homes for more than 1.5 million orphaned pets worldwide. Mike established the Center's "Animal Center Educational Services" program to teach "The Business of Saving Lives" to shelters worldwide. This presentation will provide information on how to increase adoptions, promote the animals in your shelter and increase your fundraising.
