

# Extended Grazing Workshop

**Attend this field day and learn how to cut winter feeding costs by extending the grazing season.**

Watch infield demonstrations and learn more about:

- growing and grazing crops for extended grazing
- energy dense forages and poly-crops
- nutrient importing and field selection
- 2016 and 2017 yield results

When: **Thursday, December 7, 2017**

Time: 1:00 p.m. to 4:00 p.m.

Where: Manitoba Beef and Forage Initiatives Farm (MBFI)  
Corner of Highway 353 and #10 north of Brandon, ½ mile east

- Agenda:
- |           |  |
