Re: Application for Access under The Freedom of Information and Protection of Privacy Act (FIPPA) – Our File Number 11-16CSC

On June 17, 2016, Manitoba Civil Service Commission received your access request:

“All records reflecting costs that pertain to the most recent government transition. This includes direct costs related to recruiting, hiring, and relocation allowances as well as office renovation and staff relocation, office supplies, and departmental consolidation instances when departments were combined.”

Manitoba Civil Service Commission has searched its records and can advise that it did not incur costs from the government transition as a result we were not able to locate any records that were responsive to your request. When no records exist, a request is deemed to be refused as per subsection 12(1)(c)(i) of FIPPA.

In the interest of the Government of Manitoba’s commitment to openness and transparency, this response letter will be made available on our proactive disclosure website. Any personal or other confidential information belonging to you or a third party will be removed prior to disclosure.

Section 59(1) of FIPPA states that you may make a complaint about this decision respecting your application for access to the Manitoba Ombudsman. You have 60 days from the receipt of this letter to make a complaint on the prescribed form to:

Manitoba Ombudsman
750 – 500 Portage Avenue
