Re: Your Request for Access to Information Under Part 2 of *The Freedom of Information and Protection of Privacy Act*: Our File No. 2016 - E 032

On June 17, 2016, Manitoba Education and Training received your request for access to the following information:

"All records reflecting costs that pertain to the most recent government transition. This includes direct costs related to recruiting, hiring, and relocation allowances as well as office renovation and staff relocation, office supplies, and departmental consolidation instances when departments were combined."

Direct costs for transition are not specifically tracked by government departments; however, we have conducted a search on the costs you have identified and access has been granted in full to the following information.

Recruiting and Hiring related to transition

Regarding the recruiting and hiring of staff, the following information is published and available to the public according to provisions in *The Civil Service Act* for the technical appointment of political staff. Political staff are appointed by an Order in Council under Section 32 of the Act:

Regulations respecting technical officers

33(1) The commission shall make regulations designating the positions that shall be deemed to be those of technical officers.

Schedule A of *The Technical Officers Designation Regulation* designates positions that are deemed to be those of technical officers:

2(1) For the purposes of subsection 33(1) of the Act, the following positions are designated as positions deemed to be those of technical officers:

- (a) executive assistants;
- (b) special assistants;
- (c) special advisors;
- (d) staff of the Executive Council appointed pursuant to section 32 of the Act;
- (e) any positions selected for appointment pursuant to s. 32 of the Act from among those positions and classifications designated as being excluded from the terms of any collection agreement.

Orders in Council include the name, position and salary range of technical officers. Orders in Council from May 2, 2016 to present are available online, and they may be found on the Manitoba Government website here:
