“The present results, which I expect will be improved upon, for Outfit 1916 reflect great credit on the Manager, F. H. Aldous, who, while quite a junior in the Service, has proved himself a better Trader than his predecessors with their many years experience; being very painstaking and conscientious in carrying out my instructions regarding the trade.”

1917 Annual Report for Lake Superior District, White Dog Post (A.74/47):

“The Post is under the charge of Mr. F. H. Aldous of whose integrity and industry I cannot speak too highly.”

1925 Annual Report for Lake Superior District, Lac Seul Post (A.74/38):
