Dear Mr. Carroll:

### **Re: Notice of Alteration City of Winnipeg North End Water Pollution Control Centre - Environment Act Licence No. 2684 RRR**

Further to my letter to you dated May 29, 2014 approving the North End Water Pollution Control Centre's (NEWPCC) Master Plan and your September 29, 2014 submission of the Biosolids Master Plan, I am acknowledging the Master Plans as a Notice of Alteration in accordance with Section 14 of *The Environment Act*.

The Master Plan as approved requires the completion of the upgrades to the NEWPCC on or before December 31, 2019. This is an alteration to Clause 13 of Environment Act Licence No. 2684 RRR. The alteration is approved in accordance with Section 14(2) of *The Environment Act* subject to the following conditions:

1. The City of Winnipeg shall submit to the Director progress reports every six months on the planning, design, construction and commissioning of the NEWPCC.
2. The upgrades to the NEWPCC shall be completed on or before December 31, 2019.

Please be advised that this approval is contingent on the acceptance of a revised Environment Act Licence to be issued in the near future following the review of the Biosolids Master Plan.

Sincerely,
