Dear Mr. Barbeau:

**Re: Environment Act Licence Suspension
Discharge of Cormorant Wastewater Treatment Lagoon CEC 1138**

This letter acknowledges the request by Indigenous and Northern Relations to discharge Cormorant Wastewater Treatment Lagoon outside of the authorized discharge period ending November 1st of any given year, as specified in Clean Environment Commission No. 1138.

I am granting a suspension of Clause 1(d) of Clean Environment Commission No. 1138 pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge of the secondary cell of the lagoon. This licence suspension is in effect from November 15, 2019 to November 25, 2019, inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Clean Environment Commission No. 1138 remain in effect.

If you have any questions, please call Environment Officer Dylan Funk at 204-627-8499.

Yours sincerely,

Shannon Kohler
Director, Environmental Compliance and Enforcement
