Dear Mr. Van De Kerckhove:

Re: Notice of Alteration – Pembina Consumers Cooperative (2000) Ltd. Licence No. 1957 R

Thank you for your Notice of Alteration request dated September 22, 2016, requesting approval to proceed with upgrades to the existing fertilizer site located at SE ¼ 30-3-8 WPM in the Village of Manitou. A replacement of all bulk fertilizer blending and storage facilities is proposed.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 1957 R, pursuant to clause 14(2) of *The Environment Act*. It has been determined that the potential environmental effects from upgrades are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 1957 R.

I hereby grant approval to Pembina Consumers Cooperative (2000) Ltd. to implement the proposed alteration.

If you have any questions on this matter, please contact Ms. Krystal Penner of this office at (204) 945-7107. For any operational issues please contact the Regional Supervisor Tyler Kneeshaw at (204) 239-3608.

Yours sincerely,
