Dear Mr. Walter:

**RE: Environment Act Licence Suspension
Discharge of Netley Colony Wastewater Treatment Lagoon**

This letter acknowledges the request by Netley Colony Ltd on September 20, 2017 to commence discharge of effluent from the secondary cell of the Netley Colony Wastewater Treatment Lagoon without meeting the effluent limit for total coliforms as specified in Environment Act Licence 2164.

I am granting a suspension of Clause 14(d) (iii) of Environment Act Licence No. 2164 pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge. The suspension is in effect from September 22, 2017 to September 30, 2017 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 2164 remain in effect.

If you have any questions, please contact Edwin Yazon, Environment Officer in Selkirk at (204) 785-5023.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
