INTRODUCTION

GFL Environmental Inc. (GFL) submits this cover letter regarding the proposed operations at GFL's 1090 Kenaston Boulevard location in Winnipeg, Manitoba. (MB). The Notice of Alteration pertains to the following system and process improvements:

- 1) Decommissioning of the existing waste oil decant aboveground storage tank (AST) and removal from the Facility for recycling.
- 2) Installation of a double walled AST for the collection of decanted waste oil during processing.
- 3) Installation of high level sensors equipped with audible alarms.
- 4) Installation of a concrete containment berm.

GFL requests this Notice of Alteration be in place until 31 December 2017.

CLOSURE

Please contact me if you have any questions regarding the enclosed or require any further information.
