Dear Mr. Frost:

Re: Town of Virden – Wastewater Treatment Plant Upgrade – Environment Act Proposal

The responses from the Technical Advisory Committee (TAC) that contained requests for additional information regarding the Environment Act Proposal (EAP) for the Town of Virden wastewater treatment plant upgrade were forwarded to the proponent. The proponent was asked to address and respond to the comments contained in the responses and to provide additional information for the environmental review that is continuing.

Attached you will find the proponent's consultant's April 21, 2014 letter responding to the comments and requests for additional information presented by the TAC. Please review the responses to determine if your comments and requests for additional information have been satisfactorily addressed.

Your comments, if any, are required not later than two weeks after the date of this letter. No response on your part will be assumed to indicate no concern.

If you have any questions, please contact me at 945-6030.

Yours truly,
