

Notice of Dangerous Goods Handling and Transportation Act Application

Conservation and Water Stewardship has received an application pursuant to *The Dangerous Goods Handling and Transportation Act* from the following operation and invites public participation in the review process:

HEALTH CANADA - BIOMEDICAL WASTE TRANSFER FACILITY - FILE: 5745.00

A Dangerous Goods Handling & Transportation Act Application has been filed by the Health Canada for the operation of a biomedical waste transfer facility at 391 York Avenue within the City of Winnipeg, Manitoba. The facility proposes to collect and store biomedical wastes and pharmaceutical wastes temporarily and transfers them to offsite licensed facilities for treatment and/or disposal.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the application should contact the Department, in writing or by E-mail (raj.rathamano@gov.mb.ca), not later than DECEMBER 23, 2014. Further information is available from the Public Registries located at Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Raj Rathamano, Environment Officer at 204-945-7086.

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
