Dear Robert Beal:

Re: Environment Act Licence No. 3152 - Alteration Request

Thank you for your alteration request dated February 3, 2023. You wish to increase the printing capacity by doing the following:

- Installing a new Heidelberg XL106-7+LX3 printing press.
- Decommissioning 9230 Planeta B printing press and equipment for pattern waxer processing, cello carton processing, and CO2 laser cutting.
- Storing Heidelberg A printing press for emergency use.
- Rearranging the floor plan to accommodate the new printing press.

I approve the alteration per Section 14(2) of The Environment Act. All other clauses of the licence remain in effect.

For questions regarding this approval, please contact Eshetu Beshada, Senior Environmental Engineer, Environmental Approvals Branch at Eshetu.Beshada@gov.mb.ca or 204-250-1932.

For questions relating to the ongoing administration of the licence, please contact Sonja Bridges, Regional Supervisor, Environmental Compliance and Enforcement Branch at EnvCEWinnipeg@gov.mb.ca or 204-918-4271.

Sincerely,

Original Signed by
Siobhan Burland Ross
