Instructions for 2008 Non-Resident Application For Angling, Game Bird and Big Game Licences

PRE-PURCHASE IS AN OPTION

It is not necessary to pre-purchase your licence before you arrive in Manitoba. You may purchase your licence in person at most Conservation / Water Stewardship offices, including the main office at 200 Saulteaux Crescent in Winnipeg, or at one of the many private vendors located throughout Manitoba. Locations of vendors are available by phoning 1-800-214-6497. Or, as a non-resident hunter or angler, you can purchase your licence by submitting the following application to us at *least 4 weeks* before your expected arrival in Manitoba.

HOW DO I PRE-PURCHASE

After printing and completing your application, please **mail** it and your payment to: Cashier, Manitoba Conservation / Water Stewardship, #42, 200 Saulteaux Crescent, Winnipeg, Manitoba, Canada, R3J 3W3.

Or, fax your application (credit card payments only) to: Cashier, Manitoba Conservation / Water Stewardship, 1-204-948-2656.

ALLOW 4 WEEKS FOR PROCESSING

*We receive our supply of angling licences in April and **hunting licences at the end of July**, and process all requests in order of receipt. Due to the high volume of applications, we request that you **either mail or fax** each application to us only once. We are unable to confirm receipt of your application (please do not phone). Please allow 4 weeks for your application to be processed and for the licences to be mailed to you.*

If you cannot forward the application prior to 4 weeks before your departure, then we recommend that you purchase your licences after you arrive in Manitoba.
