

Camping Rates

Camping rates will vary between provincial campgrounds. Rates reflect the different services available in a campground. These services include hookups (electricity, water and sewer), modern washrooms, showers and firewood. The following is what you can expect to pay for the various service options:

Campsite Hookup	Fee
Basic	from \$8.40 and up
Electrical	from \$11.55 and up
Electrical/Water	from \$15.75 and up
Full	\$18.90

Note: All campsites include a firepit and a picnic table. A full-service campsite includes sewer, water and electrical hookups. Rates are subject to change without notice.

Thank you for choosing to stay in Manitoba's Provincial Parks.

THE CAMPER'S GUIDE

Life's Great Outdoors

In Manitoba's Provincial Parks

Manitoba
spirited energy

Manitoba's provincial parks offer you the opportunity to be close to nature with your family and friends. Our campgrounds are managed to ensure that everybody has a pleasant stay.

The Manitoba Accommodations and Campgrounds Guide and the *2009 Manitoba Provincial Parks Guide* provide information about camping facilities in our provincial parks. Copies of these two brochures may be obtained from Travel Manitoba (1-800-665-0040 Ext. AD9 toll-free, in Winnipeg call 927-7838) or from Manitoba Conservation (1-800-214-6497 toll-free, in Winnipeg call 945-6784).

In order that everyone fully enjoy Manitoba's provincial parks, and to ensure that your camping activities do not disrupt the activities of others, the following campground rules must be observed. (Additional rules may be posted in campground offices).

Resource Officers and Park Patrol Officers are working in our parks to ensure a peaceful, safe and enjoyable camping experience for everyone. Rules and applicable policies are established under *The Provincial Parks Act, and Regulations*, and must be observed by all park users. Failure to comply with these rules may result in enforcement actions by Resource Officers or Park Patrol Officers and could include cancellation of your permit, eviction from all provincial parks for a period of up to 21 days, a ban from all provincial parks for one year, and possible charges.

Consider Your Fellow Campers

Quiet Time: Please observe the campground quiet time between 11:00 p.m. and 9:00 a.m. Use of loud equipment, such as chain saws, radios, or generators, during this time is prohibited.

Consumption of alcohol: Alcoholic beverages may be consumed only in the permit holder's camping unit and on his/her assigned site, and in accordance with the requirements of *The Liquor Control Act* and under *The Provincial Parks Act and Regulations*. Alcohol is not permitted in provincial park campgrounds during the May long weekend. Certain group use areas remain liquor free all season long.

Generators: Except under the authority of an officer, in addition to campground quiet hours of 11:00 p.m. to 9:00 a.m., generators may not be in use if the permit holder and/or immediate family is not present on the site.

Pets: All pets must be kept leashed, tied up, caged or under physical control at all times. Pet owners are responsible for cleaning up after their pets. Pets are not allowed inside cabins/yurts.

Disturbances: Excessive noise, as determined by an Officer, is not permitted at any time. Any disturbance that intrudes on another camper is not permitted. The permit holder must ensure that nothing done by themselves or others using the site interferes with the quiet, peaceful use and enjoyment of provincial park lands by any other person. That means no damaging property, fighting, screaming, playing loud music, using insulting or obscene language, drunkenness or other disturbances. Failure to comply with these rules will result in enforcement actions by Resource Officers or Park Patrol Officers which may include being charged for creating a public disturbance under the Park Activities Regulations (set fine of \$619.00) and/or being evicted from all provincial

parks for a period of up to 21 days. More serious disturbances could result in a charge for breach of peace under the Criminal Code and/or a ban from all provincial parks for one year.

Entering campground after 11:00 p.m.: Only permit holders returning to their designated campsites are allowed into campgrounds after 11:00 p.m. Vehicles entering campgrounds may be restricted.

Eviction: When an eviction occurs, the evicted person is banned from entering all provincial parks for the duration of the eviction period. Failure to obey an eviction order by remaining in a provincial park or returning to a provincial park when prohibited will result in further charges under the Park Activities Regulation. No refund will be given for the unused portion of the permit.

Guests: A campsite may be occupied after 11:00 p.m. only by the permit holder and his/her immediate family or group as indicated on the camping permit. The permit holder is responsible for the conduct of all persons using the site.

ALLERGY ALERT

Leaving your campsite safe for others.

Be aware that your actions may affect future visitors to this campground. Campers with food allergies, for example, could have a severe allergic reaction to shells or other food remnants left at your campsite. Foods most commonly associated with food allergies include: peanuts, milk, eggs, shellfish, wheat and soy. Please respect other campers and clean your site before you leave.

About Your Stay With Us

Registering for a campsite: Upon arrival, an individual is allowed to register for one campsite and only in their name. Registering on behalf of another individual is not permitted. The camping unit must actually be present at the campground before a permit will be issued.

Age Requirement: A camping permit may only be issued to an individual 16 years of age or over. A cabin or yurt permit may only be issued to an individual 18 years of age or older.

Persons on site: Within the allowable equipment on a campsite, the number of persons allowed on a campsite cannot exceed four persons or one family unit. The term “family” is generally defined as parent(s) and their children under the age of 18 years; however, the possible addition of a grandparent or similar relative is allowed.

Equipment on campsite: Where campsites are set out in defined lots, only one camping unit is permitted per site. In addition to the camping unit and if space allows, as determined by a Resource Officer, an additional tent and/or dining tent may be set up on the campsite for use by those identified on the permit. A boat or utility trailer is only permitted if space allows, as determined by a Resource Officer. Vertical tarps are not allowed.

Campsite availability: Non-reserved campsites are available on a first-come, first-served basis. Directly following registration, the camping unit specified on the permit must be located on the campsite (camping unit means any tent, tent-trailer, camper-truck, camping trailer, fifth wheel or motor home.) Tents must be set up.

Long weekend minimum stay: Minimum stays for long weekends are two nights and must include a Saturday night. Exceptions for a single night of stay may be considered.

Length of stay: During the period between June 15 and August 15, no person or camping unit is allowed to occupy the same campsite for more than 21 consecutive days. Extensions to limits of stay must be approved by a Resource Officer. Other restrictions may apply, depending on demand.

Occupying a reservation site: If you are occupying a reservation campsite without a reservation, please recognize that you are being accommodated between reservations and that there may be an incoming reservation that will restrict your stay on this campsite. If you are planning to extend your stay, please check with the campground office to ensure the campsite is available.

Check-in/check-out times: Check-in time is 4:00 p.m. and check-out time is 3:00 p.m. Check-in and check-out times vary for group use campsites, family vacation cabins and yurts. Please respect the check-out time and the next incoming camper.

Extending your stay: Renewals may be made at the campground office. All renewals must be made before 11:00 a.m. and are subject to campsite availability and maximum stay requirements.

Temporary removal of camping unit: Unless prior arrangements have been made with the Park Attendant, a campsite will be considered vacant if the camping unit is removed from the site. Permit holders operating camper-trucks and motor homes may temporarily vacate the campsite if the licence number of the unit is recorded on the permit, and the campground office is advised of the temporary departure.

Only one motor vehicle per campsite: If you have visitors coming to your campsite, they must leave their vehicles in designated parking areas. Only one vehicle is permitted in each campsite unless approved by an officer.

Campground Safety is Everyone’s Responsibility

Children at play: Children regularly play in our campgrounds. Please use caution when driving your vehicle or moving your camping unit. Don’t endanger others.

Maximum speed of 20 km/hr: The speed limit in campgrounds is 20 km/hr. All motor vehicles operated in campgrounds must meet the requirements of *The Highway Traffic Act* (except for specialized park maintenance vehicles). Motor vehicles not defined by the act (such as trail bikes/ATVs) are prohibited, or restricted to designated areas or trails.

Don’t give bears a bad name: Bears can cause serious injury and damage property. No matter how tame they appear to be, they are wild animals. Do not feed or harass them! Do not leave food or garbage out. Bird feeders are also discouraged. Report a nuisance bear to a Resource Officer, Park Patrol Officer, or Campground Attendant.

Campfires: Campfires are prohibited except in designated firepits and must be extinguished when the site is unoccupied. Firewood, where provided, is for campsite permit holders’ use only. Removal of cut firewood from a provincial park is prohibited. Cutting or gathering living or dead wood for your fire is prohibited, as is any unauthorized collection of living or dead vegetation in Manitoba’s provincial parks. Out of Province Firewood can spread harmful pests and destroy our forests – buy it locally, burn it locally.

Firearms: Discharging a firearm or possession of a loaded firearm within 300 meters of any developed area (including campgrounds) is prohibited at all times. Please note that there may be park-specific restrictions. Contact your local district office.

Fireworks: Use of fireworks is prohibited in Manitoba’s provincial parks.

Off road vehicles: Off road vehicles (ORVs) such as ATVs and snowmobiles are prohibited in Manitoba’s provincial parks except on designated ORV trails. All ORVs are required to meet the requirements of *The Off Road Vehicles Act*.

Clean Campgrounds Are Fun to Visit

Site maintenance: The permit holder is responsible for maintaining the campsite in a clean and sanitary condition at all times.

Disposal of waste water: Dispose of waste water only in the receptacles or sewer drains provided. Disposal of waste water on open ground or into sumpholes below the trailer is not permitted.

Disposal of garbage: Use refuse containers for the disposal of all discarded material. Littering can destroy the campground’s natural atmosphere and attract nuisance animals such as bears.

Be careful with fire: Dispose of matches and cigarettes (only when extinguished) in a safe place such as the campsite’s firepit.

Recycle: Many campgrounds have recycling programs. Please acquaint yourself with these programs and help reduce waste.

Care for trees: Do not strip bark from trees or otherwise injure them. Trees are damaged when the bark is stripped, tarps are tied or fastened, or when nails are driven into them. Damaged trees are more likely to be destroyed by fungus or disease.

Glass Containers: Broken glass can be dangerous to visitors, staff, pets and wildlife. Whenever possible, please use plastic containers or cans. Let’s all do our part to keep parks clean and safe.

We Can Help You

Messages: If you are expecting an important message, leave your name and the name of the persons in your group at the campground office. Park personnel will try to get the message to you.

Medical assistance: In the event of injury, your Resource Officer, Park Patrol Officer or Campground Attendant will help you obtain medical assistance.

Reservations

Visit us online or call us to book your weekend get-away and summer vacation:

or call **948-3333** in Winnipeg,
1-888-4U2-CAMP (1-888-482-2267) toll free.

Seasonal Camping

If you love camping in Manitoba’s provincial parks, you may be interested in seasonal camping. A fixed number of seasonal campsites are available on a lottery basis, with payment of a seasonal fee, to give you a chance to enjoy holidays throughout the summer and the convenience of the same site for the entire season.

Fall Camping

Imagine pitching your tent or parking your trailer on a quilt of autumn colours. Experience the crisp, clean air and fall colours of autumn in Manitoba. Select provincial park campgrounds remain open as late as Thanksgiving long weekend. Every effort is made to continue services into the fall.
