

WHITESHELL FISH HATCHERY

Tour the Whiteshell Fish Hatchery! From eggs to fingerlings, Manitoba Fisheries ensures our fish futures everyday. Visit our Hatchery Interpretive Centre to learn how the hatchery works towards a sustainable future. See Master Angler sized fish and view the endangered Lake Sturgeon up-close-and-personal in our aquarium to learn more about the future of this species and what we can do to help it. Provincial Park Interpreters will greet you in the centre and answer all your questions. Tours are FREE and everyone is welcome to attend!

Hours of Operation:

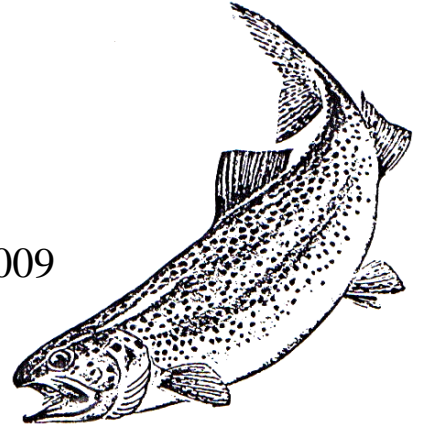

May long weekend—May 16-18, 2009

&

Saturday, May 30 – Monday, September 7, 2009

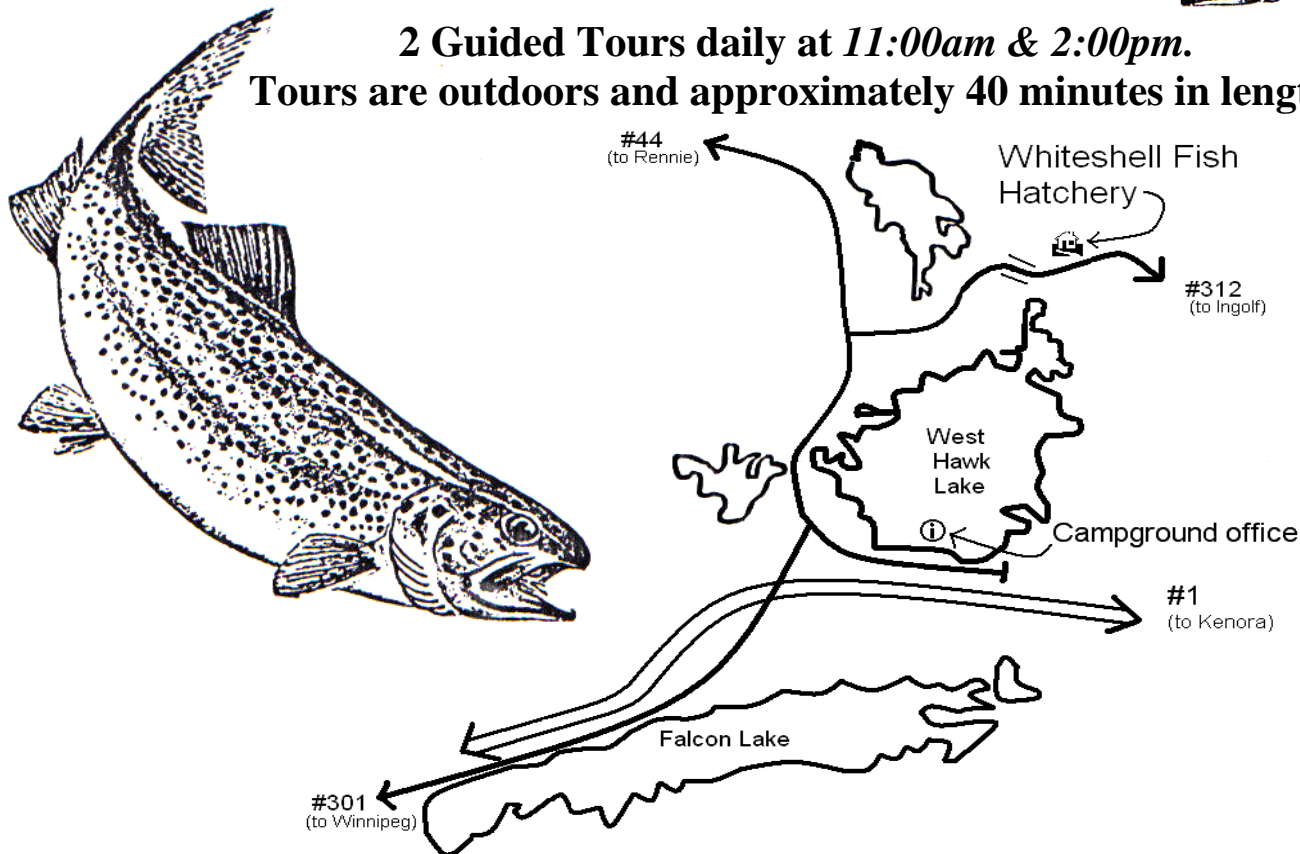

7 days a week

9:30am - 4:30pm

2 Guided Tours daily at 11:00am & 2:00pm.

Tours are outdoors and approximately 40 minutes in length.

Schools and other groups are welcome to pre-book guided tours of the hatchery.
