Dancing Lights and High Flyers

Each year around this time, Mother Nature treats us to two of her most dazzling displays, the Northern Lights and the annual migration of the Canada Goose. Join the interpreters to hear about how the Northern Lights occur, some stories surrounding them, and how geese use the night sky to navigate!

Location: Big Whiteshell Amphitheatre

Remember a mug for hot chocolate

Hey Kids – Ask the interpreters how you can become a Junior Naturalist, Park Explorer and Black Bear Aware. You can earn pins, certificates and prizes!
