Trail Users Please Note

- For up-to-date trail route information, please obtain summer and winter recreation maps at the park and campground offices, information kiosks and trailheads.
- Many of the park trails are designed for multiple uses. Please respect other users encountered along the trails.
- Users may encounter wet trail conditions especially in spring and after rainfall.
- Please obey all directional and regulatory signage and remain on designated trail routes.
- All self-guiding interpretive trails and the Chickadee Trail are for hiking only.
- All pets must be leashed or harnessed at all times.
- No dogs allowed on groomed ski trails.

Hikers

- For safety reasons, do not walk on bicycle trails.
- All horseback riding and horse-drawn vehicle trails can be used for hiking. Please take care around horses.

Bicycle Riders

- Please be aware of other trail users and ride with care.
- Approach horses with caution. Horses are frightened easily by things unfamiliar to them such as bicycles.

Horseback Riders

- Horseback riders may use the grassed area beside park roads to gain access to riding areas. Ride with extreme caution and please stay off road surfaces, shoulders and mowed-grass areas.

Horse-drawn Vehicle Drivers

- Horse-drawn vehicles are subject to traffic regulations on roads and to park entry fees.
- Horse-drawn vehicles may use Carriageway Trail as well as the West, North, South, the Festival Drives and Nimowin Road as far as the riding stable/equestrian area. Please stay off the polo fields.
- Horse-drawn vehicles require a reflective, slow moving vehicle sign and, if used after dark, a legal lighting system. Please use extreme caution when approaching other horses, cars, bicycles and pedestrians.

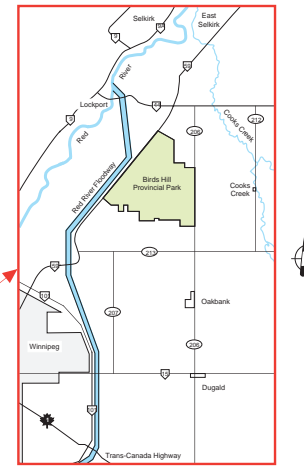

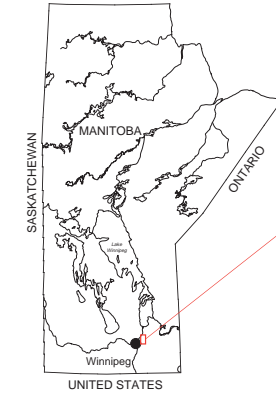

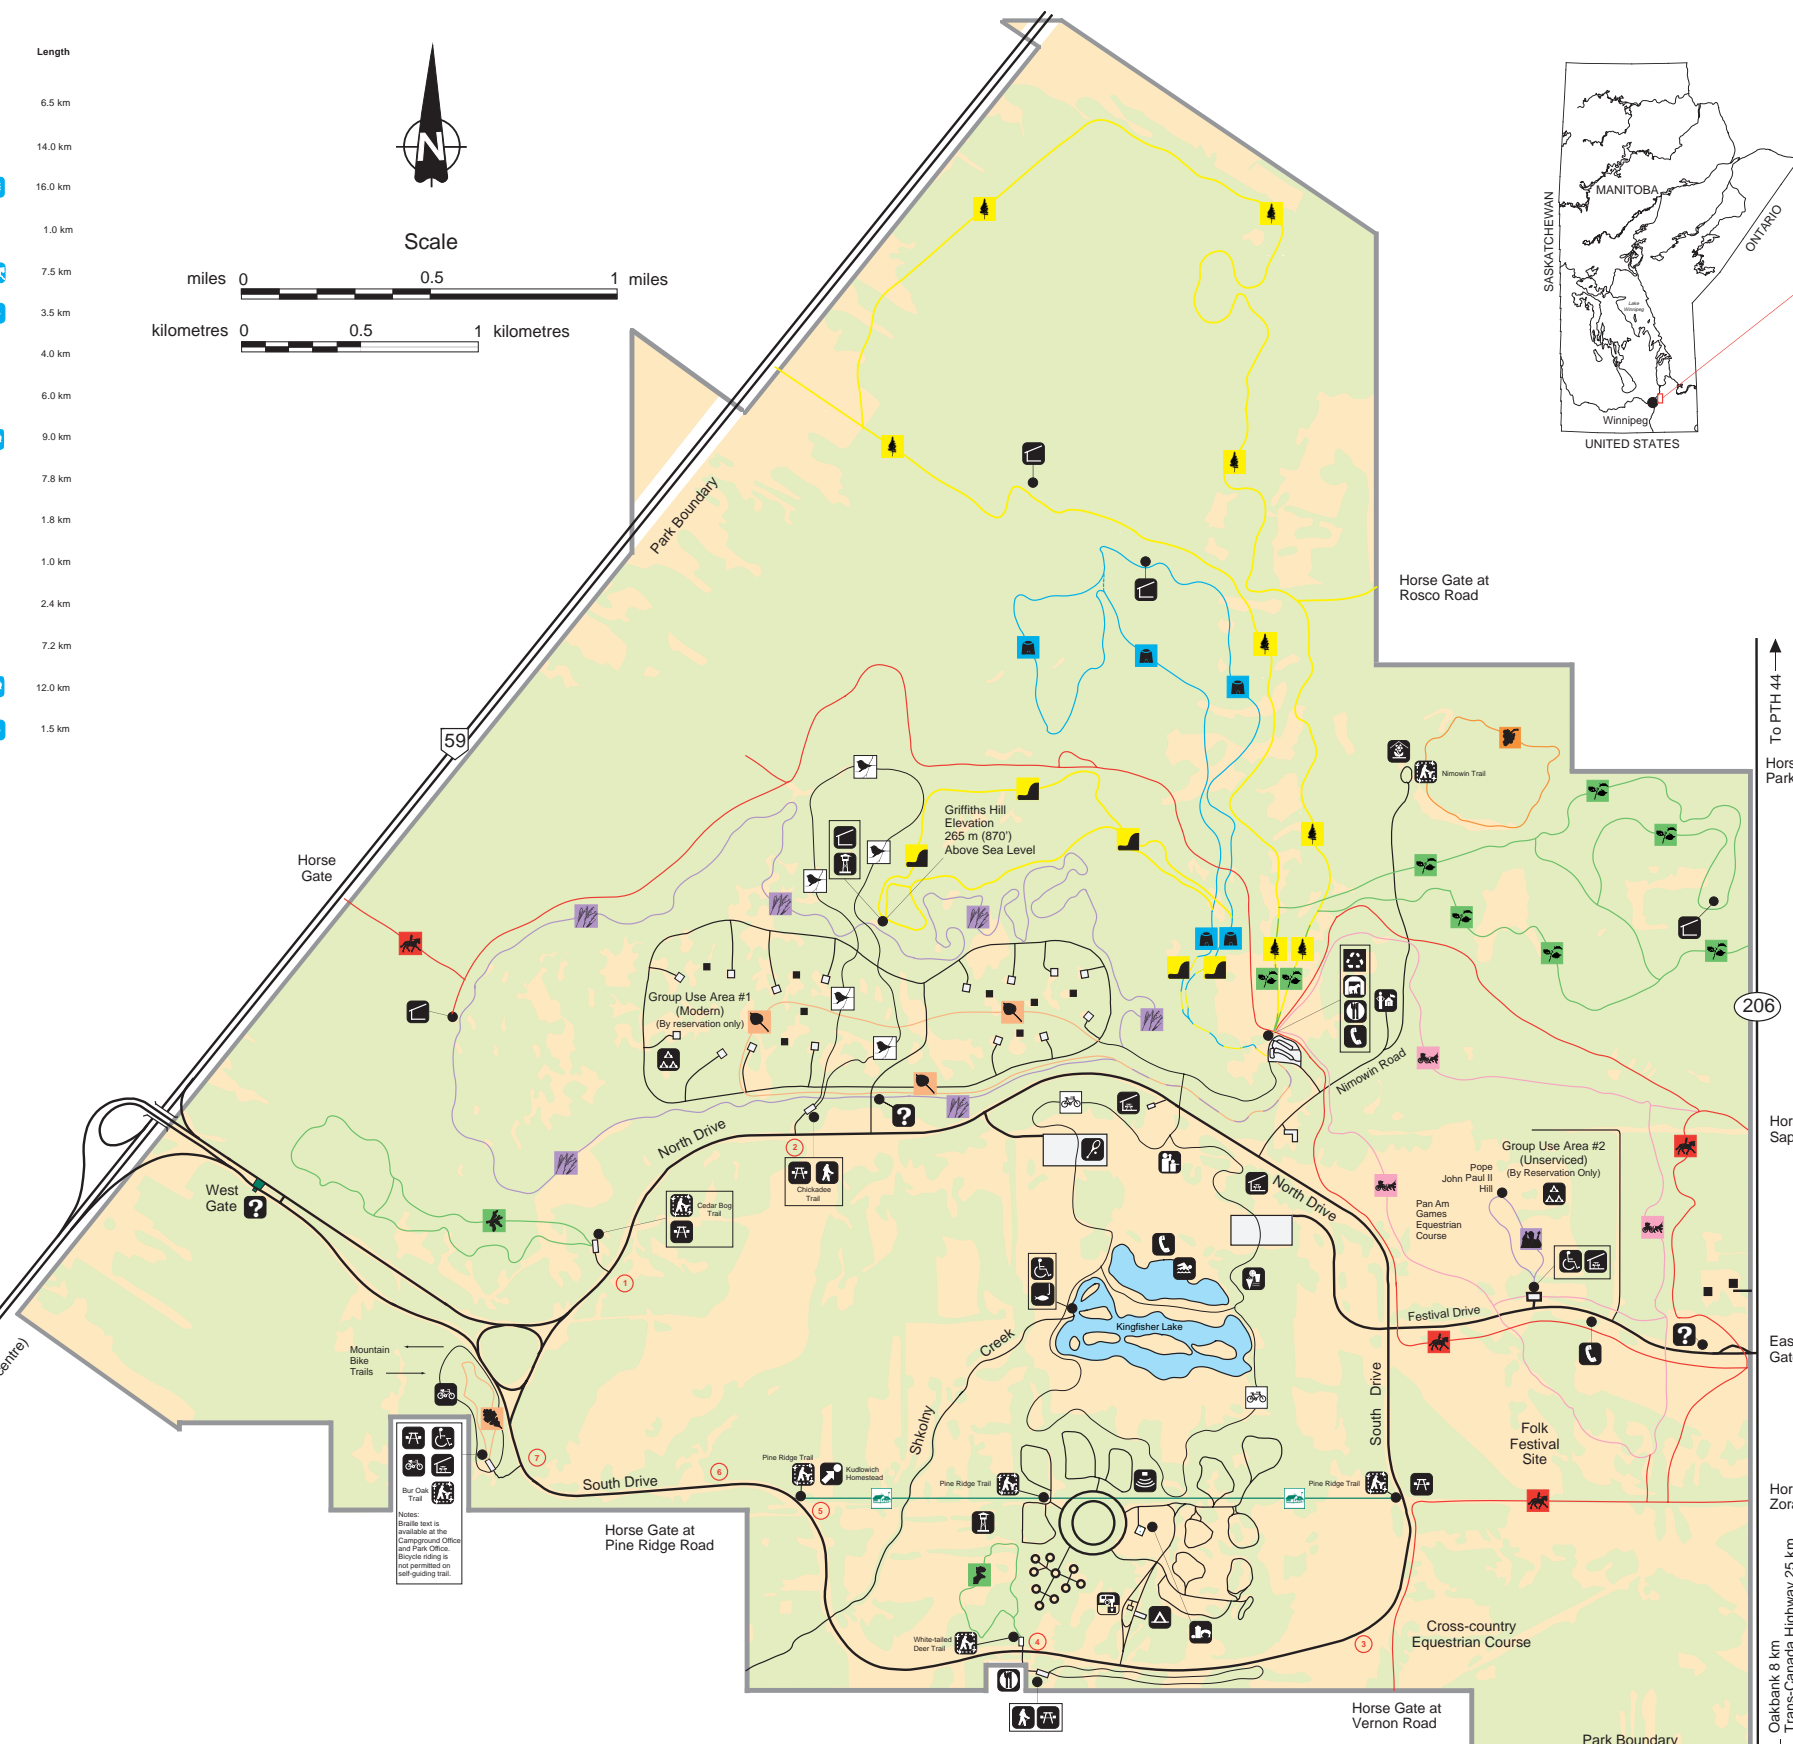

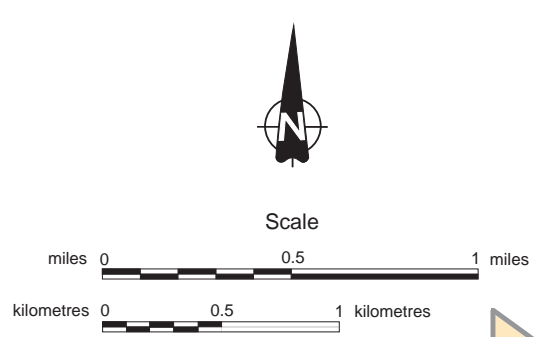

Dog Sled Users

- Dog sleds are permitted on snowmobile trails only during daylight hours.
- Dog sleds are not permitted at the riding stable area.
- Loading/unloading is permitted at designated parking lots, at the park office and on PR 206.

CAUTION TO ALL BACKCOUNTRY USERS: This park map is to be used for general information only. It is not a topographical or navigational map. Because of the changing nature of the backcountry, this map should be referred to only in conjunction with topographical and/or navigational maps, up-to-date aerial photographs, field markers and other available data. Please consult with local Natural Resource Officers for exact, up-to-date information.

Notes:

- Beaches are unsupervised.
- Dogs and other pets are not permitted on the beaches and must be leashed in all other areas of the park.
