

Application and Nomination Form

2011 Manitoba Excellence in Sustainability Awards

If you or someone you know is making sustainable development in Manitoba a reality, let us know. Complete this application/nomination form and attach a project description outlining the project or individual's contributions to sustainable development in Manitoba. Any individual, business, institution, organization, community group and youth in Manitoba is eligible to apply or be nominated for one award in the following six categories.

Awards Categories

1. Please select one category:
- Action on Climate Change, Air Quality and Energy Efficiency
 - Sustainability in Water and Natural Area Stewardship
 - Sustainability in Pollution Prevention and Product Stewardship
 - Education for Sustainability
 - Innovation and Research for Sustainability
 - Champion for Sustainability
