9. PRESENTATIONS Thursday, December 4, 2004 pm

The Boreal Forest World Heritage Site Initiative First Nations Accord

Ray Rabaloukas, Poplar River First Nation

Ray Rabaloukas for Poplar River gave an oral/ video presentation on Boreal Forest and the First Nation Accord. He spoke of the 4 communities involved - Poplar River, Pikangikum, Little Grand Rapids and Pauingassi and the success of working together. The intention of the accord, is to link the areas together, recognizing traplines and boundaries in each area. The areas of interest are protected areas, respecting the land, practicing conservation, sharing goals, methods and community based management.

The Pikangikum First Nation- Whitefeather Initiative

-Alex Peters, Pikangikum First Nation

-Andrew Chapeskie, The Taiga Institute for Land, Culture and Economy

-John Sills, Ontario Ministry of Natural Resources

John Sills, MNR spokesperson gave a presentation on the Pikangikum Whitefeather Initiative. This also includes the Lands for Life. The key topics included Land use planning, Protected Areas, and Development. Elders guide and direct the leadership of this project; they are "Custodians" of this land. The community has a good working relationship with the MNR. They have identified ancient boundaries, resource management, partnerships, tribal enterprises as being a priority in the accord. Research groups from the University of Manitoba are involved.
