

## What is BlueNet?

BlueNet is a state-of-the-art, point-of-sale claim system created by Manitoba Blue Cross.

## How Does My BlueNet Card Work?

- When you make a prescription drug purchase, present your BlueNet Card to the participating pharmacy.
- The pharmacist will enter your contract information into the computer along with the details of the drug purchase. Within seconds the BlueNet system will process your claim.
- The BlueNet system will notify the pharmacist if you have reached your prescription drug maximum, or if the drug being purchased is not covered.
- The BlueNet system eliminates the need to file paper claims, which means not having to worry about losing your drug receipts or forgetting to file your claims. This also ensures you are enjoying the full benefits of your prescription drug plan.
- The BlueNet Card is valid at any participating pharmacy in Manitoba.
