### IMPORTANT

**Manitoba's Young Farmer Immigration Program has been gaining in popularity over the last few years. As a result, our Program receives many applications in a given year. Therefore, Manitoba will select the applicants who best meet the qualifications and objectives of the program. Decisions on applications are final. There is no appeal process. However, this does not preclude applicants from applying again at a later date if the issues that caused the refusal of the initial application have been fully addressed.**

**If we are unable to nominate you, you may apply directly to Canada's Business Immigration Program for entrepreneurs, investors and self-employed, with Manitoba as your destination.**
