**Application for Assistance for Part-Time Studies**

The *Canada Student Loans Act and Regulations* and / or the *Canada Student Financial Assistance Act and Regulations* set forth the legal rights and obligations of a student and should be referred to in the case of uncertainty or dispute.

With respect to the assistance available to part-time students through the Canada Student Loans Program (CSLP), the following definitions apply:

- Student Loan - a debt obligation incurred by a qualifying student on entering into a loan agreement and which is owed to a lending institution or Her Majesty in right of Canada.
- Canada Study Grant (CSG) - financial assistance awarded to qualifying students for the specific purpose of paying eligible costs associated with the undertaking of a program of studies, as set-out by the CSLP.

This application form will be used to assess your eligibility for part-time **Canada Student Loan** assistance as well as **Canada Study Grant** assistance for part-time studies.

**Incomplete applications cannot be processed. Please ensure that all requested information is provided. You must have a valid Social Insurance Number to apply. Print clearly and sign the application in ink.**

### Canada Study Grants (CSG) for High-Need Part-Time Students

Canada Study Grants are intended to assist high-need students in part-time studies who are unable to meet the eligibility requirements of the full-time loan program. Grants may be available for up to \$1,200 per loan year from the federal government, and additional assistance may be available in some provinces, to cover the allowable education costs of eligible part-time students. SOG funding is limited and although every effort will be made to assist as many students as possible, not all applicants may receive funding.

You will be notified by the appropriate authority whether a Canada Study Grant and / or a Part-time Canada Student Loan will be issued to you.

Part-time CSG recipients are required to successfully complete all CSG funded course(s) in order to be eligible for subsequent grants for future studies.

If you received a CSG for part-time studies in a previous / current academic year, your application must include documentation (e.g., a transcript of marks or a letter of verification from a school official) indicating successful completion of the previous course(s).
