Dear Colleague:

Regarding Updates to the Clinical Care Guidelines for H1N1 influenza

Please be advised that the following updates are posted on our website today:

- Manitoba Interim Guidance for Clinicians in Ambulatory Care Settings Novel Influenza A (H1N1)
- Manitoba Interim Public Health Measures for Novel Influenza A (H1N1)

You can access these guidelines on the Manitoba Health and Healthy Living, Public Health Division website (H1N1 information for Health Care Providers) at:

http://www.gov.mb.ca/flu/health_care.html

If there are changes in these guidelines, you will be notified promptly. Please take steps to ensure this information is shared widely with all appropriate staff in your region.

Sincerely,

"Original signed by Joel Kettner"

Joel Kettner, MD, MSc, FRCSC, FRCPC
Chief Public Health Officer
