

We have partnered with [Healthy Together Now](#) regional leads to offer a Community Geocaching Loaner Program. This loaner program will allow communities to geocache and provide community members with the tools to go out and get “*in motion*”.

The Communities *in motion* Geocaching Loaner Kit contains:

- a Geocaching Loaner Program Guide [English French](#) that provides the basic knowledge of geocaching, suggestions for activities, etc.
- 20 GPS units
- Geocaching Brochure [English French](#)
- Program Feedback Form

How do I access a Kit?

Regional Healthy Together staff will be administrating the distribution of the Loaner kits. Please contact your local Healthy Together Now regional staff to access a kit:
