

Neighbourhoods Alive! 10th Anniversary Community Outcomes Evaluation Report

Manitoba 

On the 10th Anniversary of delivering Neighbourhoods Alive!, a Community Outcomes Evaluation reports:

- the community-led model is successful
- Neighbourhood Renewal Corporations are leaders in revitalization
- involvement of residents is key to capacity building
- projects have created welcoming communities with enhanced perceptions of safety
- improved housing quality is the most noticed impact

"50 per cent of survey respondents noticed an increase in residents taking steps to improve their neighbourhood"

"91 per cent of those who noticed revitalization efforts believe the Neighbourhoods Alive! projects are helpful to the neighbourhood."
