**Investment:** Total funding being announced for arts and culture based projects of \$148,600.

**Number of projects:** 9

### **Additional Information:**

Since 2000, the Province of Manitoba has partnered directly with communities through Neighbourhoods Alive!. Through NA!, the Province of Manitoba has underscored the importance of local citizens taking the initiative to revitalize their communities and their neighbourhoods. In this 10 year celebration, we are planning a series of announcements to highlight positive steps taken in communities.

- Arts and culture projects are being funded through the Neighbourhood Renewal Fund and the Community Initiatives Program.
- The Community Initiatives Program supports projects that have a broad impact on Winnipeg's inner city or target specific groups across the inner city.
- The Neighbourhood Renewal Fund assists neighbourhood organizations representing residents and other local interests, in strengthening local capacity and revitalizing designated urban neighbourhoods through a broad range of locally planned and supported initiatives.
