

Neighborhoods Alive! Green, Garden and Food Security Announcement

Investment Priority: Community projects that engage residents and demonstrate positive change in communities

Investment: \$416,254.

Number of projects: 17

Additional Information:

Since 2000, the Province of Manitoba has partnered directly with communities through Neighbourhoods Alive! to revitalize communities and neighbourhoods. Through Neighbourhoods Alive!, the Province of Manitoba has underscored the importance of local citizens taking initiative to transform their own communities. In this 10 year celebration, the Province of Manitoba is planning a series of announcements to highlight positive steps taken in communities.

These Green, Garden and Food Security projects are being funded through the The Neighbourhood Renewal Fund and the Community Initiatives Program.

The Neighbourhood Renewal Fund assists neighbourhood organizations representing residents and other local interests, in strengthening local capacity and revitalizing designated urban neighbourhoods through a broad range of locally planned and supported initiatives.

The Community Initiatives Program supports projects that have a broad impact on Winnipeg's inner city or target specific groups across the inner city.
