What is Social Housing Assisted Living?

Social Housing Assisted Living (SHAL) is a Manitoba Housing and Community Development initiative to provide affordable assisted living services for seniors aged 60+. Services include meals, housekeeping and on-site activities.

What is the Cost?

Rent is calculated according to income with an additional \$700* service package fee. The service package includes two healthy balanced meals per day, regular linen and housekeeping service and a range of social and recreational opportunities.

* All fees are subject to change
