

Running for Council

This guide will assist residents of Northern Affairs communities who may be interested in running for a position on council.

The guide provides a general overview of local government and takes readers through the election process from nomination to election day, highlights the roles and responsibilities of council members and outlines the qualifications and disqualifications of candidates.

Your main source of information on the election process is the appointed community election officials which include both a senior election official and an assistant senior election official. A copy of The Northern Affairs Act and the Community Councils Election regulation will be posted in the council office during the election process.
