

**FEES FOR APPROVAL OF DRAWINGS AND SPECIFICATIONS FOR ELEVATORS
AND LIFT DEVICES**

Subject to subsection (2), the fee payable for the approval of drawings and specifications relating to the installation or re-installation of an elevator or elevating device is as follows:

Passenger elevator	\$150.00
Freight elevator	\$150.00
Escalator	\$100.00
Hand powered elevator	\$100.00
Power driven dumbwaiter	\$100.00
Hand powered dumbwaiter	\$75.00
Belt manlift	\$125.00
Worker's hoist	\$125.00
Speed walk and speed ramp	\$100.00
Inclined passenger lift	\$150.00
Ski chairlift	\$175.00
Rope Tow	\$75.00
Ski Tow	\$175.00
Elevating device for disabled persons	\$75.00

Where drawings and specification include more than one elevator of a similar type to be installed in the same building, one-half of the relevant approval fee specified in subsection (1) is payable for each additional elevator after the first elevator.

Where major alterations are to be carried out to an existing installation, the fee payable for the approval of drawings and specifications is one-half of the relevant fee specified in subsection (1).
