THE WORKPLACE SAFETY AND HEALTH ACT  
(C.C.S.M. c. W210)

**Workplace Safety and Health Regulation**

---

Regulation 217/2006  
Registered October 31, 2006

**CONTENTS**

**SECTION**

**PART 1  
DEFINITIONS AND GENERAL MATTERS**

1.1	Definitions
1.2	Notice requirements
1.3	Publications, codes and standards
1.4	Inconsistency
1.5	Certification by professional engineer
1.6-1.7	Employers and self employed persons

**PART 2  
GENERAL DUTIES**

2.1	Safe work procedures
2.2	Consultations required
2.3	Duty of employer to provide information
2.4	Inspections of workplace
2.5	Pregnant or nursing workers
2.6 2.9	Serious incidents at workplace
2.10-2.11	Retention and transfer of records
2.12-2.18	Miscellaneous

**PART 3  
WORKPLACE SAFETY AND HEALTH COMMITTEES AND  
REPRESENTATIVES**

3.1-3.8	Committees
3.9	Representatives
3.10	Officer may call meeting
3.11	Bulletin board
3.12	Examining information and materials
3.13	Lost time injury information

3.14 Handling of personal health information

#### **PART 4**

#### **GENERAL WORKPLACE REQUIREMENTS**

4.1-4.3 Air quality and ventilation  
4.4 Arrangement of work areas  
4.5 Slipping and tripping hazards  
4.6 Drinking water  
4.7-4.11 Toilet and washing facilities  
4.12-4.13 Thermal conditions  
4.14 Lighting  
4.15 Eating prohibited in contaminated area

#### **PART 5**

#### **FIRST AID**

5.1 Employer to provide first aid services  
5.2 Location of first aid services  
5.3-5.4 Ill or injured workers  
5.5-5.6 First aiders  
5.7 Record of illness and injury  
5.8 Transportation of ill or injured worker  
5.9 Appropriate first aid  
5.10 Contamination by blood or bodily fluids  
5.11 Asphyxia or poisoning  
5.12-5.15 First aid kits and first aid rooms  
5.16-5.19 Director's powers

SCHEDULE A First Aider Qualifications

SCHEDULE B First Aid Kits

SCHEDULE C First Aid Room

#### **PART 6**

#### **PERSONAL PROTECTIVE EQUIPMENT**

6.1 6.2 General  
6.3 6.4 Employer obligations  
6.5 6.6 Worker obligations  
6.7-6.18 Specific types of personal protective equipment

#### **PART 7**

#### **STORAGE OF MATERIALS, EQUIPMENT, MACHINES AND TOOLS**

7.1 General  
7.2-7.6 Requirements re storage

**PART 8  
MUSCULOSKELETAL INJURIES**

- 8.1 Risk assessment
- 8.2 Duty to inform workers

**PART 9  
WORKING ALONE OR IN ISOLATION**

- 9.1 Application
- 9.2 Risk identification
- 9.3 Safe work procedures

**PART 10  
HARASSMENT**

- 10.1-10.2 Harassment prevention policy
- 10.3 Posting policy

**PART 11  
VIOLENCE IN THE WORKPLACE**

- 11.1 Risk identification and assessment
- 11.2 Duty to inform workers

**PART 12  
HEARING CONSERVATION AND NOISE CONTROL**

- 12.1 Sound control design
- 12.2 Noise exposure assessed and reported
- 12.3 Hearing protection
- 12.4 Control measures
- 12.5-12.6 Testing, results and annual report
- 12.7-12.8 Hearing protectors and warning signs
- 12.9-12.12 Industrial audiometric technicians

**PART 13  
ENTRANCES, EXITS, STAIRWAYS AND LADDERS**

- 13.1-13.6 Entrances, exits and stairways
- 13.7-13.10 Ladders C general
- 13.11-13.19 Portable ladders
- 13.20-13.21 Fixed ladders

**PART 14  
FALL PROTECTION**

14.1	Application
14.2	Safe work procedures
14.3-14.5	Guardrail systems
14.6-14.23	Fall protection systems
14.24-14.26	Residential construction
14.27-14.28	Building requirements
14.29	Definition

**PART 15  
CONFINED SPACES**

15.1	Application
15.2-15.6	General requirements
15.7	Entry requirements
15.8	Standby workers
15.9	Traffic hazards
15.10	Purging and ventilating
15.11	Control measures
15.12	When entry prohibited
15.13-15.14	Emergency response

**PART 16  
MACHINES, TOOLS AND ROBOTS**

16.1	Application
16.2-16.3	General requirements
16.4-16.13	Machine and tool safety
16.14-16.18	Lockout
16.19-16.21	Additional safeguards for conveyors
16.22-16.28	Miscellaneous machines and tools
16.29-16.33	Robots
16.34	Definitions

**PART 17  
WELDING AND ALLIED PROCESSES**

17.1	Application
17.2-17.3	General requirements
17.4-17.8	Welding and allied processes
17.9	Definition

**PART 18  
RADIATION**

18.1	Application
18.2-18.3	General requirements
18.4	Duty to inform workers

**PART 19  
FIRE AND EXPLOSIVE HAZARDS**

19.1	Application
19.2-19.3	General requirements
19.4-9.5	Containers
19.6	Use of gasoline
19.7	Ignition sources, static charges
19.8	Flammable or explosive substances
19.9	Hot work
19.10	Compressed gas equipment
19.11	Definition

**PART 20  
VEHICULAR AND PEDESTRIAN TRAFFIC**

20.1	Application
20.2-20.4	Walkways and fencing
20.5	Traffic control
20.6-20.7	Flag and signal persons
20.8	Reverse warnings

**PART 21  
EMERGENCY WASHING FACILITIES**

21.1	Application
21.2-21.4	General requirements
21.5	Personal eyewash unit

**PART 22  
POWERED MOBILE EQUIPMENT**

22.1	Application
22.2-22.4	General requirements
22.5-22.14	Safety requirements for equipment
22.15-22.21	Use of powered mobile equipment
22.22-22.23	Maintenance and tire servicing
22.24-22.27	Rollover protective structures

22.28-22.30	Powered life trucks
22.31	Concrete pump trucks
22.32	Dump trucks
22.33-22.37	Working on ice

## **PART 23 CRANES AND HOISTS**

23.1	Application
23.2-23.21	General requirements
23.22-23.25	Tower cranes
23.26-23.29	Overhead cranes
23.30-23.31	Material hoists
23.32	Roofer's hoists
23.33-23.37	Rigging
23.38	Vehicle lifts

## **PART 24 PILE DRIVING**

24.1	Application
24.2-24.3	General requirements
24.4	Ladder systems
24.5-24.6	Securing piles and pile hammer
24.7	Pile driving
24.8	Extraction of piles
24.9	Crane boom inspection
24.10	Definitions

## **PART 25 WORK IN THE VICINITY OF OVERHEAD ELECTRICAL LINES**

25.1	Application
25.2-25.3	General requirements
25.4-25.6	Notification and instructions
25.7	Emergency precautions
25.8	Inspection after contact

## **PART 26 EXCAVATIONS AND TUNNELS**

26.1	Application
26.2	General requirements
26.3-26.4	Registration and notice
26.5	Supervision
26.6	Underground facilities

26.7-26.14	Hazards
26.15-26.27	Support structures
26.28-26.32	Deep foundation excavations
26.33-26.44	Shafts and tunnels
26.45-26.47	Miscellaneous provisions

## **PART 27**

### **WORK IN A COMPRESSED AIR ENVIRONMENT**

27.1	Application
27.2-27.3	General requirements

## **PART 28**

### **SCAFFOLDS AND OTHER ELEVATED WORK PLATFORMS**

28.1	Application
28.2-28.3	General requirements
28.4-28.13	General provisions: all scaffolds
28.14-28.20	Particular types of scaffolds
28.21-28.32	Suspended work platforms
28.33-28.36	When crane used
28.37-28.44	Self elevating work platforms and aerial devices
28.45-28.47	Forklift mounted work platform

## **PART 29**

### **FALSEWORK AND FLYFORMS**

29.1	Application
29.2-29.3	General requirements
29.4-29.7	Falsework
29.8-29.10	Flyforms

## **PART 30**

### **TEMPORARY STRUCTURES**

30.1	Application
30.2-30.3	General requirements
30.4-30.5	Floors and openings
30.6-30.8	Temporary stairs, landings, runways, ramps and platforms

## **PART 31**

### **ROOF WORK**

31.1	Application
31.2-31.3	General requirements

31.4-31.8 Residential roof work  
**PART 32**  
**PRECAST CONCRETE**

32.1 Application  
32.2-32.4 General requirements  
32.5-32.11 Working with precast concrete

**PART 33**  
**DEMOLITION WORK**

33.1 Application  
33.2 General requirements  
33.3-33.11 Employer's obligations

**PART 34**  
**EXPLOSIVES**

34.1 Application  
34.2 General requirements  
34.3-34.10 Certification of blasters  
34.11-34.18 Blasting procedures  
34.19 Director's powers

**PART 35**  
**WORKPLACE HAZARDOUS MATERIALS INFORMATION SYSTEMS**

35.1 Application  
35.2-35.3 General requirements  
35.4-35.8 Labelling requirements  
35.9 Controlled products in laboratory  
35.10-35.13 Material safety data sheets  
35.14-35.20 Confidentiality  
35.21-35.24 Hazardous waste  
35.25 Definitions

**PART 36**  
**CHEMICAL AND BIOLOGICAL SUBSTANCES**

36.1 Application  
36.2-36.3 General requirements  
36.4 Non airborne hazards  
36.5 Airborne occupational exposure limits  
36.6-36.9 Monitoring and control measures  
36.10 Definitions

**PART 37  
ASBESTOS**

37.1	Application
37.2-37.4	Inventory, records and signage
37.5	Asbestos control plan
37.6	Employer's general obligation
37.7	Abatement or removal
37.8	Alteration, renovation or demolition
37.9	Prohibitions

**PART 38  
ELECTRICAL SAFETY**

38.1	Application
38.2	General requirements
38.3	Emergency procedures
38.4-38.5	Electrical workers
38.6	Equipment location and protection
38.7-38.16	Procedures
38.17	Definitions

**PART 39  
HEALTH CARE FACILITIES**

39.1	Application
39.2-39.6	General requirements
39.7	Infectious materials
39.8	Sharps
39.9	Contaminated laundry
39.10	Moving patients
39.11	Laser equipment
39.12	Definition: "waste"

**PART 40  
FORESTRY AND ARBORICULTURE**

40.1	Application
40.2-40.3	General requirements
40.4	No work on hillside
40.5	Lodged tree procedures
40.6	Position of signal person
40.7	Using powered mobile equipment
40.8-40.10	Designated checkpoints and haul roads

40.11	Means of warning vehicles
<b>PART 41</b>	
<b>OIL AND GAS</b>	
41.1	Application
41.2-41.5	General requirements
41.6	Structural modification or repair
41.7	Supervisor must be present
41.8	Rig sites and foundations
41.9	Securing parts of rig
41.10	Routine inspections
41.11	Escape line
41.12	No sliding down rig
41.13-41.15	Drawworks, catheads and rotary tables
41.16	Pressure relief devices
41.17	Rig tanks or pits
41.18	Internal combustion engines near well
41.19	Hydrocarbon testing
41.20	Well swabbing operations
41.21	Well operation and servicing
41.22	Piping systems at well site
41.23	Gas sample containers

**PART 42**  
**FIREFIGHTERS**

42.1	Application
42.2-42.3	General requirements
42.4	Firefighting vehicle and equipment
42.5	Transportation of firefighters
42.6	Specific firefighting requirements
42.7	Definitions: "emergency"

**PART 43**  
**DIVING OPERATIONS**

43.1	Application
43.2	Safe work procedures
43.3	Competency

**PART 44**  
**REPEAL AND COMING INTO FORCE**

44.1	Repeal
44.2	Coming into force
