The following petitions were presented and read:

Mr. SWAN – Legislative Assembly of Manitoba to urge the Provincial Government to designate one washroom in the Legislative Building and all other government of Manitoba buildings as a gender neutral washroom.

Mr. KINEW – Legislative Assembly of Manitoba to urge the Provincial Government to designate one washroom in the Legislative Building and all other government of Manitoba buildings as a gender neutral washroom. (C. Lundy, A. Dooner, B. McRae and others)

By leave, it was agreed for the Interim Leader of the Official Opposition and critics to have staff members join them in the Chamber during Estimates.

Hon. Mrs. STEFANSON moved:

WHEREAS Manitoba is home to a world class aerospace industry, the largest in Western Canada, employing 5,400 people directly and many more indirectly in related sectors; and

WHEREAS maintaining a competitive aerospace industry outside of eastern Canada is in the national interest; and

WHEREAS federal amendments to the *Air Canada Public Participation Act* virtually eliminate any obligation for Air Canada to maintain high quality, skilled, heavy maintenance jobs in the province and is contrary to the interests of Manitobans; and

WHEREAS the Federal Government has pushed through its amendments to the *Air Canada Public Participation Act* without adequate consultation or firm commitments to the Manitoba aerospace sector and despite clear opposition from the Provincial Government, business and labour organizations.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba oppose passage and proclamation of Bill C-10 and continue to do so until such time as specific commitments made by the Federal Government and Air Canada are sufficient to reassure Manitobans that changes to the *Air Canada Public Participation Act*, and related accompanying investments in training, innovation and job creation, will provide a net benefit to the Manitoba economy.

And a debate arising,

And Hon. Mrs. STEFANSON and Mr. SWAN having spoken,

And Mr. SWAN moved an amendment as follows:

THAT the Resolution be amended by deleting the "THEREFORE BE IT RESOLVED" clause and substituting the following:

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba oppose passage and proclamation of Bill C-10 and continue to do so until such time as specific and binding commitments made by the Federal Government and Air Canada are sufficient to reassure Manitobans that changes to the Air Canada Public Participation Act, and related accompanying investments in training, innovation and job creation, will provide a net benefit to the Manitoba economy including, but not limited to, permanent jobs in Manitoba supporting the overhaul and maintenance of aircraft.

WHEREUPON Madam Speaker ruled the amendment in order.

And the debate continuing on the amendment,

And Hon. Messrs. GERRARD and FLETCHER, Messrs. LINDSEY, JOHNSTON and MALOWAY, Hon. Mr. FIELDING, Mr. CHIEF and Hon. Mr. CULLEN having spoken,
