

**Legislative Assembly of Manitoba  
Learning at the Leg!  
August 21 and 22, 2019**

The Legislative Assembly of Manitoba is hosting “Learning at the Leg!” in the Manitoba Legislative Building to assist teachers with the topic of democracy. The goal of this program is for educators to become more informed on our system of democracy, and better able to use the information presented to get their students interested, informed and enthusiastic about the democratic process.

Participants will stay at The Fort Garry on Wednesday, August 21. Your hotel accommodations at The Fort Garry and your meals provided during the workshop will be included (travel, other expenses, and meals purchased for your travel to the workshop and back to your residence are not covered by the workshop).

There are a maximum of 25 spaces available for this workshop. If there are more than 25 applicants, there will be a draw to select participants. Priority will be given to those applicants who have not previously attended a “Learning at the Leg!” workshop.
