Manitoba Lotteries Corporation, Quarterly Report, Three Months, April 1 to June 30, 2009.  
(Sessional Paper No. 96)

---

Pursuant to Rule 26(1), Ms. BRAUN, Mrs. TAILLIEU, Ms. MARCELINO, Mrs. ROWAT and Ms. BRICK made Members' Statements.

---

Prior to Grievances, Hon. Mr. GERRARD rose on a Matter of Urgent Public Importance and moved:

THAT in accordance with Rule 36(1), the ordinary business of the House be set aside to discuss a Matter of Urgent Public Importance, namely, the increasing problems with algal growth in Lake Winnipeg and Killarney Lake and the resulting negative environmental and economic impact on the town of Killarney and the surrounding areas.

And Hon. Mr. GERRARD and Hon. Mr. CHOMIAK having spoken to the urgency of the motion,

WHEREUPON Mr. Speaker ruled as follows:

I thank the Honourable Members for their advice to the Chair on whether the motion proposed by the Honourable Member for River Heights should be debated today. The notice required by Rule 36(1) was provided. Under our Rules and Practices, the subject matter requiring urgent consideration must be so pressing that the public interest will suffer if the matter is not given immediate attention. There must also be no other reasonable opportunities to raise the matter.

I have listened very carefully to the arguments put forward, however I was not persuaded that the ordinary business of the house should be set aside to deal with this issue today. Although this is an issue that some Members may have a concern about, I do not believe that the public interest will be harmed if the business of the house is not set aside to debate the motion today.

Additionally, I would like to note that other avenues exist for Members to raise this issue, including Question Period, Members' Statements and Grievances.

Therefore, with the greatest of respect, I must rule that this matter does not meet the criteria set by our Rules and Precedents and I rule the motion out of order as a Matter of Urgent Public Importance.

However, despite the procedural shortcomings, there does appear to be a willingness to debate the issue. I shall then put the Question to the House shall the debate proceed?

Mr. Speaker then put the Question, "Shall the debate proceed?" It was agreed to.

And a debate arising,

And Hon. Ms. MELNICK, Mr. CULLEN and Hon. Mr. GERRARD having spoken.

The debate was terminated in accordance with Rule 36(6).
