

Qualifications

Interested applicants must have an interest in the legislative process, be bright, cheerful, alert, attentive, confident, well groomed and well spoken. They must also have high academic standing and be able to miss part of the school term without losing academic standing. Successful applicants must also be able to arrange their own transportation to and from the Legislative Building.

Selection Process

Each spring, the Speaker of the Legislature requests the Superintendents of several Manitoba School Divisions (chosen on a rotational basis) to put forward the names of two or three students to be considered for Page positions. The method of selection within each Division is at the discretion of the Superintendent.

The final selection process involves an appraisal of all the nominees. The nominees who pass the initial screening process are then interviewed by the Sergeant-at-Arms, the Deputy Sergeant-at-Arms and a Human Resources Officer. Eight applicants are chosen each year to serve as Pages. Those applicants who are selected are provided with uniforms, instructions and training manuals.

Duties

Legislative Pages perform a broad range of tasks, including:

- Preparing the Legislative Chamber for each sitting
- Distributing documents in the Legislative Chamber
- Receiving and delivering items in and outside the Chamber as directed
- Providing Members of the Legislative Assembly with refreshments
- Announcing Members' names for recorded votes

When do Pages work?

Pages work when the Manitoba Legislature is in session. The Legislature may meet at any time of the year, but usually sits from February to June. It may also sit from September through to December.

Pages are scheduled to work several times a week when the Legislature meets.

The Manitoba Legislative Assembly Page Program provides Senior 3 and Senior 4 students who have an interest in the legislative process or in public affairs the opportunity to see first-hand how public policy is decided by Manitoba's Legislature. It also allows these students an opportunity to provide essential services to the Members and Officers of the Legislature.
