

VISIT A LIBRARY

A public library is a place where you can go to borrow

- books
- DVDs
- CDs, and
- magazines

to take home. All you need is a library card.

LIBRARY CARDS ARE FREE.

Get answers to your questions

People who work in a library are happy to answer many different kinds of questions. They can help you with questions about

- becoming a Canadian citizen
- learning English
- finding a job
- going to school, or
- about your new city or town

All you have to do is ask!

Use computers

You can use a computer at a library for free. You can use **e-mail and the Internet.**

Go to free programs

Bring your children to the library for fun programs. People who work in a library read books and sing songs that can help you and your children to learn English.

Come to adult programs. Many libraries have programs for adults. Some examples are:

- English Conversation Groups
- computer classes, and
- healthy living

Ask your library about their programs.

All library programs are free.

Find books and magazines in your own language

Many libraries have books and magazines in different languages. Some libraries also have newspapers from countries around the world.
