Dear Ms. Johnson:

**Re: Bipole III Transmission Project – Environment Act Licence No. 3055**

This is in regard to your letter dated January 20, 2017 requesting approval for an additional route adjustment in construction segment S1, near Langruth, MB.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 3055, pursuant to clause 14(2)(b) of *The Environment Act*. It has been determined that the potential environmental effects from the route adjustment are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 3055. In accordance with Section 14(2) of *The Environment Act*, I hereby grant approval to Manitoba Hydro to implement the proposed alteration.
