Dear M Braun,

RE Proposed Amendment to DGHTA Licence No. 270HW, Evergreen Environmental Technologies, Client File No.: 5626.00

As per our conversation with Raj Rathamano in regards to our letter dated June 10/15 sent to you, please note that in Paragraph Two an error was made, letter states:

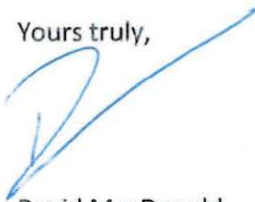

“Evergreen Environmental Technologies is proposing to construct and operate a full service Household Hazardous Waste Depot (Depot) at Evergreen Environmental Technologies facility located in the ~~SE 11-14-17 W~~ WPM in the Rural Municipality of Minto-Odanah.”

This should read:

“Evergreen Environmental Technologies is proposing to construct and operate a full service Household Hazardous Waste Depot (Depot) at Evergreen Environmental Technologies facility located in the ~~NE 11-14-17 W~~ WPM in the rural Municipality of Minto-Odanah.”

If you require further information regarding this matter please do not hesitate to contact the writer.

Yours truly,

David MacDonald

Dear Ms Braun,

RE: Proposed Amendment to DGHTA Licence No. 270HW, Evergreen Environmental Technologies, Client File No.: 5626.00

Please accept this letter as a notice of alteration to the above noted *Dangerous Goods Handling and Transportation Act* Licence.

Evergreen Environmental Technologies is proposing to construct and operate a Full Service Household Hazardous Waste Depot (Depot) at the Evergreen Environmental Technologies facility located in the SE 11-14-17 WPM in the Rural Municipality of Minto-Odanah. The location of the Depot within the overall waste management facility is illustrated on the accompanying sketch map.

The Depot will be operated in accordance with the Product Care Association (PCA) Manitoba Household Hazardous Waste Stewardship Program and the Manitoba Product Care Collection Site Guidelines (Guidelines) and regulations pursuant to *The Dangerous Goods Handling and Transportation Act*. A copy of the Guidelines is attached. In addition, the Depot is constructed in accordance with all applicable municipal building and fire code requirements.

The Depot will handle a full range of household hazardous wastes falling into the *Transportation of Dangerous Goods Act* Classes 2, 3, 4, 5, 6 and 8. The estimated quantity for each of these is included on the attached Hazardous Waste Generator Registration Form.

Should you have any questions or require additional information, please feel free to contact the undersigned at evergreentech@xplornet.ca or 204-867-7161/204-868-6104.

Yours truly,

David MacDonald
