

Crown-Aboriginal Consultation - Manitoba Hydro: Manitoba Minnesota Transmission Project
Animakee Wa Zhing #37

Record of Communication

First Nation/Community: Animakee Wa Zhing #37
 Current Representative: Chief Vanessa Powassin
 Contact Information: PO Box 1590
 Kenora ON P9N 3X7
 Windigo Island - Band Office - Phone number: 807-733-3721
 Fax number: 807-733-3901

Status of the Consultation Process:

Manitoba started its consultation process with this community on January 19, 2016, but the community contacted Manitoba for the first time on December 14, 2017, at which point Manitoba informed the community that it may still provide its concerns in writing for Manitoba's considerations. This community had been initially assessed as "Low level-Consultation in written format" and was included based on Canada's comments.

CURRENT TO: 20-Apr-18

Crown-Aboriginal Consultation - Manitoba Hydro: Manitoba Minnesota Transmission Project
Manitoba Metis Community as represented by the Manitoba Metis Federation

Record of Communication

First Nation/Community: Manitoba Metis Community
 Representative: Jasmine Langhan, Marci Riel
 Contact Information: 300-150 Henry Avenue
 Winnipeg, MB R3B 0J7

Status of the Consultation Process:
 The MMF showed interest early on, but Manitoba and the MMF were only able to develop a mutual consultation plan and budget in September 2017. Manitoba provided the required funds for the consultation plan in May 2018, and anticipates completion of the plan by the end of August 2018 or earlier. This community was assessed as "Moderate Level -Community

Record of Communication

First Nation/Community: Northwest Angle 33
 Representative: Darlene Ross and Norma Gate
 Contact Information: holeintheday3@hotmail.com
norma_gate@shaw.ca
 Fax: 1-807-733-3148

Status of the Consultation Process:

Manitoba started its consultation process with this community on January 19, 2016, but the community contacted Manitoba for the first time on December 14, 2017, at which point Manitoba informed the community that it may still provide its concerns in writing for Manitoba's considerations. This community had been assessed as "Low level- Consultation in written format" and was included based on Canada's comments.

CURRENT TO: 30-Jan-18

Crown-Aboriginal Consultation - Manitoba Hydro: Manitoba Minnesota Transmission Project
Peguis First Nation

Record of Communication

First Nation/Community: Peguis First Nation
 Representative: Jared Whelan (Consultant); Lloyd Stevenson; Wade Sutherland
 Contact Information: P.O. Box 10
 Peguis Reserve, MB R0C 3J0

Status of the Consultation Process:
 This community showed interest in the consultation process early on. A work plan and budget was mutually developed and implemented. Concerns were provided during the process, but a final report has not yet been received. Manitoba has recorded all concerns communicated to Manitoba. This community had been initially assessed as "Moderate level- Community sessions as required".

Crown-Aboriginal Consultation - Manitoba Hydro: Manitoba Minnesota Transmission Project
Roseau River Anishinabe First Nation

Record of Communication

First Nation/Community: Roseau River Anishinabe First Nation
 Representative: Chief Alexander
 Contact Information: PO Box 30
 Ginew, MB R0A 2R0

Status of the Consultation Process:
 This community showed interest in the consultation process early on and Manitoba developed a mutual workplan and budget with the community, but the community did not ultimately sign the agreed plan and did not respond to Manitoba's follow ups. This community had been initially assessed as "Moderate level- Community sessions as required".

Crown-Aboriginal Consultation - Manitoba Hydro: Manitoba Minnesota Transmission Project
Sagkeeng First Nation (Fort Alexander)

Record of Communication

First Nation/Community: Sagkeeng First Nation
 Representative: Erick Bunn and Douglas Boyd
 Contact Information: Box 3
 Fort Alexander, MB R0E 0P0

Status of the Consultation Process:

Manitoba met with representatives of this community relatively early in the process and offered a workplan and budget, but the community did not confirm an interest. Manitoba discussed information and gathered concerns that was communicated. Late in the consultation process the community communicated dissatisfaction with the process. Manitoba offered a community session, considering the timing of their interest, but the community considered that offer as inadequate. This community had been initially assessed as "Moderate level- Community sessions as required".
