# SCALING PLAN

## INSTRUCTIONS for Completing the electronic version of the Scaling Plan

1. Open the Scaling Plan form and save it to another location and under an appropriate name.
2. Complete the form, moving between the shaded boxes using the tab or mouse, do not use the *enter* key. Instructions (eg. type in information or select from drop down lists) are shown on the Status bar, at the bottom of the screen, just above the Task bar.
3. When the form is completed, save, print and sign it.

The Scaling Plan must be submitted and approved prior to receiving the Work Permit or Operating Permit.

Check the appropriate box to indicate if this is an **original** Scaling Plan, an **amendment** to the original, or a **replacement** for the original.

### E-MAIL

Please provide an e-mail address to receive future updates and communication.

### SOURCE/LOCATION

Indicate the cut block or location where the timber will be cut. On hand wood from the 2016-2017 harvest that will be delivered in 2017-2018 should be included on the Scaling Plan and identified as on hand.

### FINAL DESTINATION

List the name of the final destination mill/facility. If wood will be transported to an approved stockpile/rail siding prior to delivery to the final destination, indicate this on the Scaling Plan (eg. Baden Stockpile/CKP). Destinations must be reported on an approved Scaling Plan prior to delivery of wood.

### COMMODITY/PRODUCT

Indicate the commodity/product that the timber will be used for. If timber that is sent to a destination will be used for more than one product, report each on a separate line.

### ESTIMATED VOLUME m<sup>3</sup>

Indicate the estimated volume that is expected to be delivered to each destination. The total must not exceed the authorized annual harvest volume for the authority, unless approval for a forward cut has been received.

### SPECIES

Species listed should be appropriate for the destination. For example, Conifer-ALL can be used for CKP, but for SPL separate species should be used such as black spruce, white spruce and/or jack pine. Abbreviations can be used.

**WS** – White Spruce

**BS** – Black Spruce

**JP** – Jack Pine

**BF** – Balsam Fir

**TAM** – Tamarack

Spruce – ALL

Conifer - ALL

**TA** – Trembling Aspen

**BP** – Balsam Poplar

**WB** – White Birch

Poplar-ALL

### CERTIFIED CORRECT BY

The cutting right holder or designate must print, sign and date the form.

An Authorized Sustainable Development staff must review the Scaling Plan and, if approved, fill in the office location and then sign and date the form. Additional conditions can be typed or written in the SCALING PLAN CONDITIONS box, if required.
