Mail Ballot No. 96-02
Increase Operator's Monetary Authority
Virден Roselea Unit No. 2

TO: ALL WORKING INTEREST OWNERS
VIRDEN ROSELEA UNIT NO. 2

Owner approval is requested for a revision to Clause 7.04 of the Plan For Unit Operation Governing the Unitized Management Operation And Further Development Of Virден Roselea Unit No. 2 to increase the Operator's monetary authority limit from \$20,000.00 to \$60,000.00 for any single undertaking. Clause 7.04 would remain as is with the exception of replacing "Twenty Thousand Dollars (\$20,000.00)" with "Sixty Thousand Dollars (\$60,000.00)".

It has been our experience that few projects can be performed for under \$20,000.00. The change in monetary authority would mean less paperwork thus smaller more routine work could proceed more expeditiously to the benefit of all partners. Chevron will provide a monthly letter to partners advising of expenditures under \$60,000.00.

Please return a signed copy of the enclosed mail ballot to the attention of our Producing Records on or before **August 26, 1996.**

If you have any questions, please contact the undersigned at 234-5322 or Pam Dumont at 234-5599.

Yours truly,

for M.J. (Michael) Smith, Chairman
Operating Committee
