

Regulation Update

Change to the Apprenticeship and Certification Act – General Regulation

Effective Feb. 9, 2011, apprentices who are no longer employed in their trade may apply for a transfer of their apprenticeship agreement to the executive director of Apprenticeship Manitoba to enroll in technical training.

Conditions of Transfer

Transfer of the apprenticeship agreement is subject to the following conditions:

- The apprentice has made satisfactory progress in the apprenticeship program.
- The apprentice has made reasonable effort to find employment with a recognized employer in the designated trade so as to be able to continue the apprenticeship program.
- The apprentice has submitted an application within two years of no longer being employed in the designated trade.

For more information, please contact the Apprenticeship Manitoba office closest to you or visit our website.
