

2026 Community One Health Grant: Application Form

The One Health Community Grant is part of Manitoba Agriculture's Northern and Remote Veterinary Outreach Initiative. Funding is for communities, organizations or individuals who conduct One Health initiatives in northern and remote First Nations communities. This grant is valued between \$1,000 - \$25,000 per project application.

This grant is not applicable for animal sterilization activities. If your community is interested in these activities, there are other funding opportunities available. Please contact the Winnipeg Humane Society to inquire about animal sterilization, including spay and neuter ([One Health | Winnipeg Humane Society](#)).

If you have questions or need help completing this form, please contact the Chief Veterinary Office at CVOgrants@gov.mb.ca

Please send completed application to CVOgrants@gov.mb.ca by **October 15th, 2026**.

Application Instructions

- There is no page minimum or limit – please use as much space as needed for each question.
- You are welcome to include other attachments (e.g. photos, documents, additional information) as needed.
- Alternative application formats may be accepted, as long as they are approved by the reviewers. Contact the CVO at CVOgrants@gov.mb.ca with your questions about application formats.
- All sections of the application need to be complete. Any incomplete application will be returned.

Before Submitting:

- Name the grant application in this format: Project title – community name – year – submitter initials (e.g. Dog census – Sagkeeng First Nation – 2026 – AP)
- Digital submissions are preferred
- File formats accepted for application: .doc, .docx, .pdf. If you are unable to access the fillable PDF form or would prefer a Word version, please contact the CVO at CVOgrants@gov.mb.ca.
- Attach any other supporting documents to the email
- Submit to: CVOgrants@gov.mb.ca

Project Summary

Project Title:	
Applicant name (Individual or organization):	
Project Contact Person:	
Community or Communities:	
Grant amount requested:	
Applicant Phone number:	
Applicant Email address:	
How did you hear about us?	

Community Narrative

Share information about your community. This can include location, population, community wellbeing, access to veterinary care/other animal services, the connection to the surrounding land and animals, or any other detail that might provide context for the project.

What kind of animals is your community engaged with? How do dogs live in your community? What is your community known for? Are wild animals used as part of a traditional diet for either people or pets?

Please type here

Project Description and Impact

Describe the project's goals, timeline, and impact on the community.

What is the main issue the project is intended to solve? What are the goals and milestones you've identified for the project? What is the estimated timeline for each step? What is the estimated start and end date? What impact will this have in the community? How does this project encourage or achieve sustainable outcomes?

Please type here

Information on Project to Date

Has this project already begun? If so, what has gone well? What challenges have emerged? If the project has not yet begun, describe the planning work to date and estimated start date.

Please type here

Community Engagement

Describe the level of community support for the project, and what engagement has taken place to date.

Has this project been discussed with community members, band members, Elders, and/or Knowledge Keepers? Is there support for this project? How has community feedback been incorporated into the project design?

Please type here

Planning and Consulting

Describe the project partners and their roles in planning and implementation. Include any service providers, agencies, consultants, suppliers, organizations, and/or other partners involved in the project. If applicable, highlight Indigenous-led and community-based partners.

Who is leading the project? Who is supporting the project? What role(s) do each partner play in the project planning stages, implementation or activities, and final assessments?

Please type here

Project Budget

Outline the project budget, including component costs, total project cost, and grant amount requested. Include any additional funding that has been awarded to the project. Including quotes or estimates from service providers to support the amount requested is highly recommended.

Below is an example of how to fill out the table:

Type of expense	Description of expense	Cost	Other funding source
<i>Labour</i>	<i>8 hours per week, estimated 6 weeks from start to end.</i>	<i>\$960.00</i>	
<i>Materials</i>	<i>Estimate from Joe Smith's Construction company (see attached)</i>	<i>\$800</i>	<i>-\$500</i>
<i>Total project cost</i>		<i>\$1760</i>	
Amount requested		\$1260	

Budget Outline

Type of expense	Description of expense	Cost	Other funding source
Total Project Cost			
Amount requested			

Other Funding Sources

If there are other funding sources noted in the above table and project budget, please provide a description of the funding sources and type (grants, contracted service agreements, donations, gifts in kind) that have been requested or awarded for the project. If there are no additional funding sources, write “not applicable” in the box below.

Please type here

Other Information

Is there any other information you'd like to include about this project that was not described above?
