

BERRY FARM WORKER COVID-19 GUIDELINES

1. DO NOT COME TO WORK IF showing COVID-19 symptoms or have been in contact with anyone found positive for COVID-19. Workers must use the self-screening tool before coming into work: <https://sharedhealthmb.ca/covid19/screening-tool/>
2. IF tested positive to COVID-19 or in close proximity to someone with confirmed COVID-19 should stay home for 14 days or until diagnosis of COVID-19 has been ruled out by health authorities.
3. Your employer can provide up to 5 paid sick leave days if related to COVID-19 via the Manitoba Pandemic Sick Leave Program (do not have to be taken consecutively). Eligible sick leave related to COVID-19 includes testing, vaccinations and side effects, self-isolation due to COVID-19 symptoms, or care for a loved one in any of the previously mentioned circumstances. Eligible employees are those who reside in Manitoba and work and receive wages in Manitoba on a full or part-time basis.
4. FOLLOW THE RECOMMENDED METHODS OF REDUCING TRANSMISSION:
 - a. wash your hands with soap and water for at least 20 seconds
 - b. use sanitizer when soap and water unavailable
 - c. cough/ sneeze into bend in arm
 - d. wash hands after blowing nose with tissue, dispose tissue in lined waste basket
 - e. avoid touching face.
 - f. avoid touching surfaces people touch often.
 - g. use personal protective equipment as directed.
 - h. wear a mask when working indoors.
 - i. wear a mask outdoors when in close contact with others when physical distancing not possible (2m).
5. Bring own lunch and beverages to work ideally.
6. IF you feel any situation is potentially unsafe from a COVID-19 transmission viewpoint please inform your employer/ supervisor immediately.
