

Managing Wildlife Risks to Livestock and Feed

Manitoba Agriculture is hosting a free producer meeting about protecting livestock and feed from wildlife.

Keeping wildlife away from your livestock and winter feed supplies can be difficult. Come and learn about new fencing strategies, feed yard gates and programs that can help you lessen the risk of disease spreading from wildlife to livestock.

Everyone is welcome to attend.

Date: Tuesday, November 28, 2017
Time: 1:30 p.m. to 3:30 p.m.
Farm tour to follow
Place: Grandview Kinsmen Community Centre
Ross Cairns Memorial Boardroom
435 Burrows Street, Grandview

Topics include:

- Using livestock guardian dogs with cattle
- Livestock guardian dog pilot project - observing movements of dogs
- 3D Fences - What are they and do they work
- Bovine Tuberculosis Prevention Program
 - On-farm risk assessment grant
 - Data incentive grant
 - Livestock guardian dog pilot project
 - Fence grants
- Farm tour, featuring 3D fences, Texas gate and drive-over gates

Coffee and refreshments will be provided. For more information, call the Manitoba Agriculture Dauphin office at 204-622-2007 or the Roblin office at 204-937-6460.
